

How to Login to Portal

Getting Started

Setting Up Your Vendor Login Portal

1. **Log in** to Consignor/Vendor Portal <https://portal.consignorconnect.com/app>
2. If a **First-time User**, use the following steps and click “**Use Old Login Page?**”

Sign in

[Forgot password?](#)

LOGIN

[Use old login page?](#)

3. Type in your **Last Name (surname), First Name**, and your **Rose account number (password)**

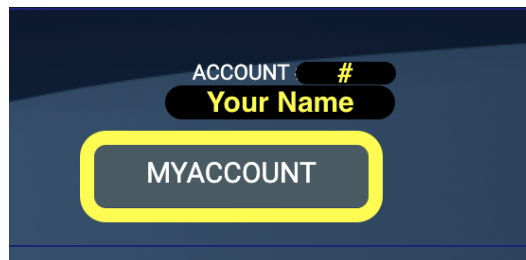

Sign in

[Back to Email Sign in](#)

LOGIN

4. Go to **My Account** and Update/Verify your Account Information (email address, contact information, and vendor status).

5. If you are a **Vendor**, verify your **Account Type = "Vendor"**. If not, reach out to your owner/administrator to update your account type to vendor.

6. Click on **My Account** and navigate to **Contact Details** to update your email address and password, then **Save Changes**. This allows you to log in to the main Portal with email and password.
