Sign in to Rose

For store owners and staff

Good to know: Use the email address your Rose user account was set up with. Your store's admin can add users in **User Maintenance**.

1 Type your **Email Address**.

Click in the top box and type the email you use for Rose.

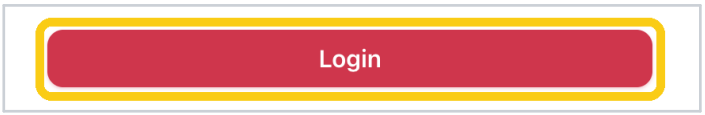

2 Type your **Password**.

The dots hide what you type. Click the eye on the right to see it.

3 Click **Login**.

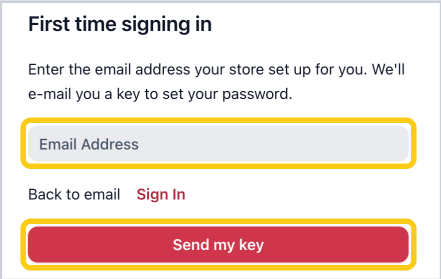

Your Dashboard opens.

Other ways to sign in

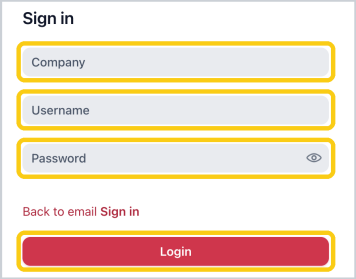

First time signing in?

Click **First time user login?** on the sign-in page. Type the email address your store set up for you, then click **Send my key**. We'll email you a key to set your password.

Signing in with a company login?

Click **Use company login?** on the sign-in page. Type your **Company**, **Username** and **Password**, then click **Login**. To go back, click **Back to email Sign in**.
